Are you looking for an easy version of Carol of the Bells Spatehus to play on the piano? I have you covered! This is a version I taught many beginner and intermediate piano students, I always loved Carol of the Bells. On the one hand, it looks like the name - beautiful Christmas bells playing in a melancholic music! This play was written by Ukrainian composer Mykola Leontovych in 1914. He certainly wrote a melody like no other! In over 100 years since it was written, Carol of the Bells has become a Christmas song known worldwide, featured in many films and played by many famous musicians.
